GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

HM&FW - Tribal Reforms, firm commitment for providing health care to people in tribal areas – In order to ensure the focused approach across the 7 ITDAs – Tribal Reforms Yardstick (TRY) Programme Constituted - Orders – Issued.

HEALTH, MEDICAL AND FAMILY WELFARE (E.2) DEPARTMENT

G.O.Ms.No.89 **dt:07.06.2017**

ORDER:-

Tribal Health has remained a priority area for the Government of Andhra Pradesh. In order to ensure focused approach across the 7 ITDAs, adequate interface with the broader development agenda is much required. More importantly and strategically, given that the development would be brought collectively by several departments, a "yardstick" for measurement of successes and failures would need to be developed so that to ascertain the attainment of objectives in a time bound manner. While strengthening of programs, facilities and strategies to reach more tribal area residents would need to be re-emphasized, key general developmental parameters of the ITDAs would also need to be put in place in coordination with other departments and agencies. The TRY Program visualizes this connect and aims to translate efforts into results in a time-bound manner.

2. The TRY framework Indices as arrived out of multi departmental consultations, including the feedback and suggestions received from ITDAs, has been categorized into health and other developmental components and are enumerated below. Each indicator would have a baseline, an estimated quarterly target for FY 2017-18 and FY 2018-19. The achievements shall be presented to the Government of AP on a quarterly basis. A minimum increase/betterment by 12.50% per quarter for each of the indicators would be kept as target and the achievement shall be rated against this target. Apart from achieving development in the tribal areas and enhancement in health indicators, the TRY program shall bring economic growth stimulants such as 125% reimbursement to hospitals in Tribal Areas under NTR-Vaidya Seva & Aarogya Raksha Programs, development of Araku as a Health Valley through Araku Medical Rehabilitation Infrastructure Township (AMRIT) project.

Health Indices: Under the Programs, Heath, Social well-being and general development indices shall be captured as per following indices chart, across all associated departments:

Sl.No.	Key Indicator	Baseline (16-17)	Target (17-18)	Quarterly Targets
1	Availability of Drugs: No. of Drugs & percentage availability			
2	Diagnostics workload: No. of tests/month			
3	Chandranna Sanchara Chikitsa coverage density in Shandis			
4	Feeder Ambulance service density per Ambulance			
5	PPP based SNCU (Sick new born care unit) in all CHCs			
6	PPP based sub-centers in telemedicine mode			
7	Select non- 24X7 PHCs into 24X7 PHCs			

8	At least state of art Area Hospitals in all ITDAs			
9	Area Hospitals @ 1 Lakh population (over and above point-8)			
10	District Hospitals @ 5 Lakh population			
11	Mission Organizations adoption of ITDAs for supporting CHCs, Ahs and DHs			
12	OT modernization in 24X7 PHCs, CHCs & DHs			
13	Ultra sonography services at all CHCs			
14	Availability of LLINs			

Development al Indices:

No	Key Indicator	Baseline (16-17)	Target (17-18)	Quarterly Targets
1	Road Density & road connectivity to all villages in all ITDAs (% of villages with road)			
2	Mobile connectivity density			
3	Water supply to all panchayats & villages			
4	Literacy Levels			
5	Marriage age for girls			

3. Government after careful examination hereby set up the TRY task force set up under the Chairmanship of Chief Secretary to the Government of Andhra Pradesh with the representatives from the following departments:

1. The Principal Secretary to Government,
   Tribal Welfare Department - Member
